

## **Dear Boogaloo families,**

How wonderful to see so many of your lovely faces at the studio and Zoom dance classes this past couple of weeks. We are so thankful that we have the technology to keep us all connected during this time of physical distancing; and to have such an amazing community of teachers, dancers and families who are embracing this new way of learning and connecting with one another.

### **BOOGALOO ACADEMY STUDIO**

The progress that everyone made this year is incredible. It took such hard work and dedication to reach the levels you attained. As we would normally be spending the final 10 weeks of the year preparing for the Year End Show and various dance competitions, we believe we should pause and postpone those classes until we can get back to dancing in the studio. Your fees already paid for the 2019/2020 year will cover these weeks when we resume our normal in-studio classes and can complete the performances as planned.

We have reserved potential theatre dates every month from July 2020 to January 2021. With the go-ahead from public health office, we plan to resume classes when it is safe to do so and use our 10 weeks to work together and polish up the performances as planned.

### **SUMMER CAMPS & CLASSES**

In the meantime, our teachers will be offering classes that may be taken in-studio or online so we can keep your passion, strength, technical skills and connection to each other alive. Please see the posted schedule and instructions for registration and choose the classes you would like to take. You are more than welcome to try out any other class that matches your age and skill level.

More than ever we are so grateful for our amazing Boogaloo family of students, volunteers and teachers. We miss you all very much and we are excited about these opportunities to connect and create with you all while we are together or physically apart. Please let us know if you have any questions or feedback!

Sincerely,

Anita and Jheric
